

Do you have end-of-life tech cluttering up your cupboards or desk?

We have the perfect solution!

Echo is partnering with Silverdale Business Association to reduce e-waste ending up in landfills. We invite you to participate by collecting any redundant technology, putting it the bin provided, and we will process it for **FREE!**

October 20th - 25th

Together we can make an impact.

Do you have end-of-life tech cluttering up your cupboards or desk?

We have the perfect solution!

Echo is partnering with Silverdale Business Association to reduce e-waste ending up in landfills. We invite you to participate by collecting any redundant tech, booking in your collection, and we will process it for **FREE!**

Let's recycle your e-waste

Identify electronics
that are no longer
in use

Bring items in
from home or
around the office

Book in your
collection

A full list of accepted items will be provided above the designated e-waste bins
