

Free Pallet Collection Supporting Sustainable Business in Silverdale

As part of our Sustainability Strategy, Silverdale Business Association is helping local businesses reduce waste, reclaim space, and support a greener community.

This Financial Year: We are running **three free pallet collection events** for Silverdale businesses:

- **First Collection:** 21 to 30 September 2026, register by 17 September 2026
- **Second Collection:** 18 to 28 January 2027, register by 14 January 2027
- **Third Collection:** 17 to 27 May 2027, register by 13 May 2027

Registration is required in advance for each collection so we can confirm numbers and plan the collection schedule. Spaces may be limited. Thanks to our ongoing partnership with Metro Pallets, we're offering FREE pallet collection exclusively for Silverdale Business Association members.

Accepted Pallet Types:

- Wooden pallets
- Plywood / MDF / Cardboard pallets
- Broken plastic pallets

All pallets will be **reused, repaired, or recycled responsibly**.

Additional Member Benefit:

Silverdale members can enjoy a **10% discount on future pallet** collections with Metro Pallets. Please note, this discount applies to collections **outside of the three free events**; any pallets collected after the scheduled free events will be charged at the discounted rate. For additional collections, members should **contact Metro Pallets directly at** sales@metropallets.co.nz.

What You Need to Know:

- Forklift access is recommended for efficient loading, though manual loading is possible.
- This service is exclusively available to Silverdale Business Association members.

How to Participate:

1. Register your business through the relevant event page by the registration deadline
2. Get your pallets ready for collection
3. Enjoy a cleaner workspace and contribute to a sustainable Silverdale!

Why This Matters:

This initiative is part of our **Environmental Action pillar**, which aims to reduce waste and promote low-impact business practices while supporting community wellbeing and resilience. By taking part, you're helping Silverdale grow as a sustainable, forward-thinking business community.
